

## Your Admission Ticket (Wednesday 11 July)

### UMAT Admission Ticket now available

Your online Admission Ticket is now available. To collect it please [log in to your account](#).

- Your username is the email address registered on your account.
- If you do not remember your password please click 'Reset my password' on the login page, enter your registered email address and a new one will be emailed to you.

**Please note that you will not be able to change your photograph once your Admission Ticket has been accessed. The photograph will be printed on your Admission Ticket, your Statement of Results and may be used by the universities. It is therefore very important that the photograph is a passport style photo as illustrated in the sample photo given in your account.**

The Admission Ticket will tell you exactly where and at what time to report on the day of the test. It also contains your personal details.

This Admission Ticket is your permission to attend the test centre and **MUST be printed out and taken with you on the day**. Electronic versions of the Admission Ticket will not be accepted.

Please check your Admission Ticket carefully and email the UMAT Office ([umat@acer.edu.au](mailto:umat@acer.edu.au)) immediately if there are any errors (no later than 13 July). Please note that the name on your identification **must** match the name on your Admission Ticket. Only your given name and family name are required and it is not necessary for your other names (including middle names) to appear on the Admission Ticket. Your other names will however be printed on the Attendance Rolls given to the test centre supervisors so that they can be checked on the day should there be any issues matching your Admission Ticket and your identification.

**Make sure you print your Admission Ticket on a new blank sheet paper.** Before you print the Admission Ticket, check that both sides of the paper are blank. You may not bring notes or note paper of any kind into the test centre. Admission Tickets may be printed in black and white; you do not need to bring a colour printout.

In order to view the Admission Ticket, you must have uploaded your photograph and the details of your identification document to your registration. See email reminder #2 (sent 6 July) for instructions to upload your photograph and add your identification details to your registration.

Regards
